

Product Data Sheet

Product Description

- The fastest acting premium ice melter on the market, Nature's Power works in extremely cold temperatures. The unique crystal shape provides rapid ice penetration and keeps product from scattering to where you don't need it.
- Nature's Power is 100 percent magnesium chloride hexahydrate, which means it is gentle on vegetation and concrete when used as directed.
- Melts ice and snow down to -15°F/-26°C.
