

## Product Data Sheet

### Product Description

- The immediate ice-melting power of Safe Step Xtreme rapidly melts dangerous ice. This ice melter heats when it hits the ice, creating a brine solution that resists refreezing. The easy-to-see blue crystals help you apply it exactly where you need, yet they won't stain carpets or floors if they're tracked in. Xtreme is gentle to concrete.
- Melts ice and snow down to -31°F/-24°C.

### Physical Properties

Bulk Density -70 lbs. /ft<sup>3</sup>

### Method of Analysis

American Society for Testing and Materials Procedure E534.  
All other testing is from Compass Minerals' internal quality control procedures.
